**M**aybe not without a few technical glitches, as well as the occasional unforeseen internet hiccup, yet the God borne gift of relationship manages to override all the obstacles each week as we meet and we're seeing, even more clearly than before, that our desire to connect is a deep need He's given us for our good and His glory. So glad you've decided to connect!

## **The Back Pew - Jeff Larson**

I sure miss Jesus.. If I could only be with Him again.

Jesus takes a post resurrection stroll 'incognito' on the road to Emmaus. **Luke 24:13-35**

f my people  
who are called by My name  
don't humble themselves  
or pray  
or seek My face  
or turn from their wicked ways  
THEN  
I won't have an opportunity to  
hear them  
forgive them  
or heal their land.

*A bizarre, inverted, not real,  
yet very true and possibly thought provoking  
paraphrased version of  
II Chronicles 7:14*

## **Please pray...**

- those whose loss and burdens only God can carry
- for those trusting for His divine healing
- for wide open hearts, as we seek His direction in reaching the next generation for Him
- for enough relationship so that we can respond fully with our gifts to one another's needs.
- for His help to consistently prepare and be ready for His new direction/transition
- for the three men and their families God has called to our church
- for the lost and disenfranchised, whom we all know and love

## **Just a Thought**

"Faith  
that goes forward  
triumphs."
