**T**hanking Him deeply for His incredibly faithful answers to our prayers. We partner with Him in His promise to build His church and we see it happening all around us. We ask that He make us useful in His Kingdom and He implants ideas and involves us in new methods of outreach. We can't enumerate all He's doing. Can we count on our Lord? The overwhelming evidence would say so.

“Call to me  
and I will answer you  
and tell you great  
and unsearchable things  
you do not know.”

Jeremiah 33:3

**Men's B'fast**

Saturday  
September 5th  
7am ~ Prep  
8am ~ B'fast

While famous for copious amounts of bacon, our Men's B'fast also could possibly feature world class pancakes, delectable French toast, fluffy fresh scrambled eggs and various pastries. Or we could have corn flakes, but in any case, we will enjoy fellowship with each other in His presence, the most delicious banquet of all.

Just a Thought

“If you judge people,  
you have no time  
to love them.”

~ Mother Teresa

Please pray...

- those whose loss and burdens only God can carry
- for those trusting for His divine healing
- for wide open hearts, as we seek His direction in reaching the next generation for Him
- for enough relationship so that we can respond fully with our gifts to one another's needs.
- for His help to consistently prepare and be ready for His new direction/transition
- for the three men and their families God has called to our church
- for the lost and disenfranchised, whom we all know and love

**I**mportant Need! Our prayers are being answered! We have more and more families attending with small children. However, with more children comes the need to serve and support these families during church. To address and even pre-address safety concerns we would like to begin to develop CARE Teams, (Comfort, Awareness, Response, Encouragement), to serve, monitor and generally be aware of the goings on each Sunday. A CARE Team will be downstairs whenever children are present and plan to have speakers so that listening to the service will be available. We need several teams of two, so that missing live service will be infrequent for any of us. Listen for the important announcement today!
