Welcome to 2021! That's right, we made it out of 2020! We started out the year with so much promise and anticipation, so at first glance it could appear to be a disappointment to some, but we know our Lord doesn't do plan B or second best. That means His absolute best for us was contained in this weird, but wonderful year. If He can do that with a year like this has been, just think what He has in store for us in 2021!

“Now when Jesus was born in Bethlehem of Judaea in the days of Herod the King, behold, there came wisemen from the east to Jerusalem, saying, “Where is He that is born King of the Jews? For we have seen His star in the east, and are come to worship him.”

~ Matthew 2:1-2

Please Pray...

- ☐ those whose loss and burdens only God can carry
- ☐ for those trusting for His divine healing
- ☐ for wide open hearts, as we seek His direction in reaching the next generation for Him
- ☐ for enough relationship so that we can respond fully with our gifts to one another's needs.
- ☐ for His help to consistently prepare and be ready for His new direction/transition
- ☐ for the three men and their families God has called to our church
- ☐ for the lost and disenfranchised, whom we all know and love

thought...

“Whatever it is you're afraid of doing, DO IT!
Make your mistakes this year and forever.”

~ Neil Gaiman

Saturday January 9th 9 am

Let Pam or Cathy know if you'd like to bring a b'fast dish, pastry or fruit.

Along with the usual delicious assortment of culinary breakfast miscellany, there will be the customary deep and profound discussion, as well as fantastic life altering fellowship. No speaker this time, we'd like to hear what God showed you this year and what you're hearing about next year. Not to be missed, ask a few friends. We'll see you there!

Lost!

Sometime in the last month the key was forcibly removed from the lock box outside the office door and the lockbox had to be repaired. If the key is returned, we will go on as usual. However, if no one knows the circumstances surrounding this event and we can't recover the lost key, we will need to rekey each door and there will need to be a much tighter reign on where keys are distributed in the future. If you have any info, please help us solve this mystery, because we REALLY don't want to rekey everything. Thank you.
