Since it is a given that we are not here by accident and that He has a purpose for each of us here today, it seems only profitable to actively seek after those purposes, asking His Holy Spirit to reveal and guide us. Either we have His words of encouragement and blessing for someone here today or He wishes to speak into our lives through someone else or both. Purposefully seek and expect, asking "Who do You have for me here today?" Then follow through!

"The last thing she said to me was,
'would it kill you to apologize?'"

"Do not let your hearts be troubled. Trust in God; trust also in me."

Please Pray

- for those whose loss and burdens only God can carry
- for those trusting for His divine healing
- for wide open hearts, as we seek His direction in reaching the next generation for Him
- for enough relationship so that we can respond fully with our gifts to one another's needs.
- for His help to consistently prepare and be ready for His new direction/transition
- for the three men and their families God has called to our church
- for the lost and disenfranchised, whom we all know and love

You may have already noticed, but if not, be sure and check out the new shelving in the kitchen. Not only beautiful, but highly functional, the shelves are one more step toward helping those in our kitchen ministry function efficiently and at their best. Thank you, Marvin!
