Knowing fully who we are and what we truly deserve, we are none the less aware of the great and awesome benevolence of our Maker and how we can boldly come, enjoy His gifts and each other, in peace. Looks like another fulfilling day awaits us.

“Who do you think you are to second-guess God? How could a human being molded out of clay say to the one who molded him, *“Why in the world did you make me this way?”* Or are you denying the right of the potter to make out of clay whatever he wants? Doesn't the potter have the right to make from the same lump of clay an elegant vase or an ordinary pot? And in the same way, although God has every right to unleash His anger and demonstrate His power, yet He is extremely patient with those who *deserve* wrath ~ vessels prepared for destruction!!

MEN'S B'FAST!

Always a favorite with the gents, our Men's Breakfast is this coming Saturday and those attending can be sure to find piles and piles of bacon, pancakes, hash browns along with several pots of coffee and bunches of great fellowship. The only thing that will make it better is if you invite a friend or two and make sure you don't miss it!

Please Pray

- for those whose loss and burdens only God can carry
- for those trusting for His divine healing
- for wide open hearts, as we seek His direction in reaching the next generation for Him
- for enough relationship so that we can respond fully with our gifts to one another's needs.
- for His help to consistently prepare and be ready for His new direction/transition
- for the three men and their families God has called to our church
- for the lost and disenfranchised, whom we all know and love
