We all come together this morning, excited for His revelation and His free, consistently generous, extravagant impartation of love. Procuring even a tiny bit of that and being able to figure out how to convey that same love to each other will complete the circle.

"The hour has already come for you to wake up from your slumber, because our salvation is nearer now than when we first believed."

Near future game show!

Sorry Arthur, your answer was actually correct, but Paul shouted his opinion louder, so he gets the point. And an extra bonus point also goes to Sue, as she was offended by your answer.

Yes, it's time again for our ladies Inner Be You Tea and we're excited to have Deb Guell from Sharing Hands coming to share with us again this year. When she shared with us last year it was very interesting to hear all about her work in our community and we look forward to hearing about updates to her outreach. This is a wonderful opportunity to invite friends who might benefit from knowing more about this important community service agency. So you know the drill, something yummy to share, a friend or two to share it with and come anticipating His love and revelation. He never disappoints.

"Humility is nothing else but an accurate judgment of ourselves."

~ William Law

**JUST
A
THOUGHT**

Many things are said to be *"The Spice of Life!"*, but surely among them SPICES! With just a little donation on our part we can help add a little extra flavor and pizzazz to make everything a bit yummier. Pick up an extra of your personal favorites and make someone's life a little spicier this month.

Please Pray

- ☐ for those whose loss and burdens only God can carry
- ☐ for those trusting for His divine healing
- ☐ for wide open hearts, as we seek His direction in reaching the next generation for Him
- ☐ for enough relationship so that we can respond fully with our gifts to one another's needs.
- ☐ for His help to consistently prepare and be ready for His new direction/transition
- ☐ for the three men and their families God has called to our church
- ☐ for the lost and disenfranchised, whom we all know and love

WHAT'S NEW?

If you haven't ventured into the kitchen in the last few days, is there ever a surprise in store for you! Thanks to our gals on the kitchen crew we have two , bright, shiny, sparkling, new stoves! You are not going to believe how convenient they've made it for all of us by not only upgrading to more modern units that actually work, but also including double ovens, giving us so much more versatility. These are going to be a blessing not only for our own Sunday mourning potlucks, but also all of our many cooking ministry outreach projects.
