This was a week dedicated to very purposefully seeking His heart and direction as a body. It was encouraging and wonder-full. We look forward to continuing together in seeking and walking out all He has for this family. Thank you for joining us this morning.

Every valley
shall be filled in,
every mountain and hill
made low.
The crooked roads
shall become straight,
the rough ways smooth.
And all people will see
God's salvation."

Luke 3:5,6

Please Pray...

- ☐ **Lord, build Your church**
- ☐ thanksgiving and all praise for what our Lord is accomplishing for His body through the time of pray this week
- ☐ for our current class, **Set Free to Lead**
- ☐ for the continuing outreach of the **Hope House**
- ☐ for the lost and disenfranchised, whom we all know and love
- ☐ for enough relationship so that we can respond fully with our gifts to one another's needs.

Exercise Tips ...

We're all aware that as we age it becomes harder to get the important exercise we all need. Our parents and grandparents had similar struggles. Here's an article from yesteryear to help our older crowd in that endeavor using easy to find household items.

Begin by standing on a comfortable surface, where you have plenty of room at each side. With a 5lb potato bag in each hand, extend your arms straight out from your sides and hold them there as long as you can. Try to reach a full minute, and then relax.

After a couple of weeks, move up to 10lb potato bags. Then try 30lb potato bags and work your way up to 50 and even 100lb potato bags in each hand and hold your arms straight for more than a full minute.

After you feel confident at this level, put a potato in each bag.
