It's a foregone conclusion that someone will annoy you today, inadvertently say something unkind, look at you cross eyed or otherwise step on your toes. By the time you're reading this, maybe several somebody's already have. Here comes the choice. Bless or curse? You have profound power in your mind and tongue to bless or curse your brothers and sisters. Choose LIFE. Lift up the body today!

Then the multitudes who went before and those who followed cried out, saying:

**H**osanna  
 to the Son of David!  
 'Blessed is He who comes  
 in the name of the Lord!'  
**H**osanna  
 in the highest!"

*Luke 19:35, Amp*

Next Saturday

*Inner Be You Tea*

It's safe to say, you never know what kind of discussion will ensue at the monthly **Inner Be You Tea**, but it can be guaranteed that it will be lively, entertaining and encouraging. Always something yummy on the menu, (largely because we bring what we like to eat), we encourage all our ladies to plan now to bring a breakfast goodie and join in the fun this coming Saturday!

TODAY

JUST A THOUGHT

"When there's no time  
 to pray,  
 first pray!"

Cheryle Maddox

# Please Pray...

- Lord, build Your church
- thanksgiving and all praise for what our Lord is accomplishing for His body through the 7 days of prayer
- for Andy recovering from heart surgery
- for Courtney Thornton, struggling with serious residual side effects from chemotherapy.
- for our current class, **Set Free to Lead**
- for the continuing outreach of the **Hope House**
- for the lost and disenfranchised, whom we all know and love
- for enough relationship so that we can respond fully with our gifts to one another's needs.

## APRIL FOOL'S DAY

The origins of April Fools' Day, also known as All Fools' Day, are uncertain. Some historians believe the holiday began in ancient Rome with the festival of Hilaria, a day of rejoicing and play-acting in honor of Cybele, thought to be the mother of the gods. Others believe it originated in the Middle Ages, when the new year was celebrated on April 1st instead of January 1st. When the calendar was changed to begin the year on January 1st, people who continued to celebrate the new year on April 1st were referred to as "fools" and were the targets of pranks and jokes. Still, others believe that it is a remnant of a pagan festival, such as the festival of the vernal equinox, which is celebrated around the same time. Whatever its origin, April Fools' Day has become a day for playing practical jokes and hoaxes on one another.
