Wonderful to be together each week. Every person He's given us to connect with in this body, (even those we find difficult :o), is a purposeful and intentional gift, to help us grow and know Him better. This frees us to be completely thankful to our Lord for every interaction and eternally grateful for those around us. Who are you thankful for today?

A 'COINCIDENCE'.. is a miracle where God chooses to remain anonymous.

Therefore, as God's chosen people, **holy and dearly loved**, clothe yourselves with compassion, kindness, humility, gentleness and patience. Bear with each other and forgive one another if any of you has a grievance against someone. Forgive as the Lord forgave you. And over all these virtues **put on love**, which binds them all together in perfect unity. **“**

Colossians 3:12-14, emphasis added

It's time once again for our women to gather together to share their lives in fellowship and perhaps a few yummy breakfast

treats. Maybe you're a regular and you know how important these monthly meetings are to encourage relationship among our women. But if you've never had a chance to join us, we invite you to find out for yourself. Bring something yummy, (or don't worry about it), and please plan on joining us. We'd love to get to know you better.

JUST A THOUGHT
“The single biggest problem in communication is the illusion that it has taken place.”

George Bernard Shaw

Please Pray...

- Lord, build YOUR church
- for Keyton & Jessica Blocker, who are facing significant new challenges with his cancer
- for Sophea and Jenny, dealing with the repercussions of and recovery from his recent serious motorcycle accident
- for continued revelation from His Spirit
- for God-driven outreach opportunities
- for our Body Life Prayer Group, meeting Wednesday nights, as they seek the direction of the Holy Spirit for His Church.
- for abiding persistence to possess the land He's entrusted to us
- for the lost and disenfranchised
- for enough relationship so that we can respond fully with our gifts to one another's needs.
